

Dear colleagues,

This is the newsletter for the 5th ECPLF conference, 8th ECPA conference, 8th EFITA and 8th WCCA conferences that will be held from 11th to 14th July 2011 at the campus site of the Czech University of Life Sciences Prague, in a beautiful landlocked country in the heart of Europe, in the Czech Republic. Conferences are co-organized altogether as there is an established tradition.

Prague is the capital city with bustling historical background, beautiful architectural sites and international environment. The core of the city is listed in the UNESCO World Cultural and Natural Heritage Register and provides picturesque alleys and constructions of all architectural styles.

We are pleased to inform you that 550 participants have been already registered for the conferences.

Please consider leading workshops. If you are planning to lead a workshop – agenda with information and content should be sent by 28th of February.

The 28th February is also the last day for early (advantageous) registrations.

Yours sincerely,

Eva Červenková

Secretary of conference
