## ONE PLANET

### THE LAUNCH OF A NEW INTERNATIONAL GROUP OF COMPANIES

The necessity of Total Land Management Solutions to manage global natural resources led to the foundation of ONE PLANET GROUP LIMITED – registered in the U.K. in January 2006.

During the next scheduled international PROGIS Conference, ONE PLANET GROUP will be introduced for the first time to a select number of potential finance and strategic alliance partners. A special invitation side meeting (to the main Conference) is scheduled for:

**Thursday, April 20th at 3:00 p.m. – Arcotel Wimberger, Vienna, Austria**

Please go to: [http://www.progis.com/event/conf2006/progis\\_konf/index.htm](http://www.progis.com/event/conf2006/progis_konf/index.htm) and click at 'Side Meetings'.

The management team of ONE PLANET GROUP cordially invites you to attend a presentation and discussion; Christopher von Kienlin and Dr. Werner Ott of the COPAC GROUP London will moderate.

Setting the scene for this presentation:

#### **What do we have in mind by speaking about global natural resources?**

- A sustainable environment
- Improved quality and safety of food
- The conservation of drinking water
- Fresh and safe air
- Protection against avalanches, mudflows, flooding and other natural disasters.
- An ecological equilibrium
- The natural environment for recreation.

#### **What is the scope of the ONE PLANET GROUP activities?**

##### ***Integrated Total Land Management Solutions:***

- Agriculture
- Forestry
- Community
- Utilities
- Energy

1/2

- Mining
- Fisheries
- Ecology
- Conservation
- World Health Support.

### **Participating organisations in the ONE PLANET GROUP ? Four component parts:**

- PROGIS Software AG – as technology provider
- Total Land Management Technologies Limited – strategy, policies and standards, international marketing, advisory services, global infrastructure, technical support, business support interfacing with alliance partners, franchise holders and other distributors
- forCert GmbH – the centre for agriculture, forestry and land management knowledge, expertise and consultancy – local, national, regional, global
- Genesis Charter Limited – distributor for the UK, the Republic of Ireland, Australia, New Zealand.

### **What is the vision of ONE PLANET GROUP?**

- Sustainable development
- Management of total land resources
- Technology leading solutions
- Effectiveness, efficiency
- Ecology & conservation
- Worldwide strategic alliances
- New public sector / private sector partnerships

### **What are the objectives?**

- To demonstrate the imperative of managing natural resources more effectively
- To present the role of technological solutions
- To introduce ONE PLANET GROUP to prospective strategic partners and investors

### **Some figures:**

The global accessible market for new solutions and services in agriculture, forestry, energy and other target sectors for the period 2007 to 2020 is estimated to be worth €70 billion and from the existing One Planet Group leading position in technology, at least a 5% share of this market is achievable.

Please register your participation at:
